

*Thank you for considering the Rane Nogales Jazz Ensemble as part of your special evening. We have enjoyed our status as one of the first call and most popular Black Tie Event bands in the region and hope that we can help make your evening wonderful and marvelous as well.*

*The RNJE is a high end, professional, after-dinner, ballroom dance band that, as a quintet or full ballroom orchestra (depending on the event budget) specializes in a sophisticated top floor presentation of contemporary and jazz standards. Whether a full ballroom presentation with a full orchestra and multiple singers or as a jazz quintet featuring horns and vocals, for background, dance or show, this band can be counted on to play the most appropriate choice of music for all formal and semi formal affairs. Although a concert and performance band first, the RNJE has made black tie events the band's specialty and has a stellar reputation as one of the regions first call bands for formal functions. The line up in the RNJE is outstanding, boasting some of the best jazz musicians in the region, several of whom tour internationally and are often seen at Jazz Alley.*
