

Rane Nogales Jazz Ensemble

Rate Sheet Winter Season 2003-2004

Full Ballroom Orchestra – Full horn section, full rhythm section, and multiple vocal soloists. Unbeatable for posh affairs hosting a ballroom dance to cap off the evening. Can easily be preceded by a smaller version of the band for the cocktail and dinner sets.

Duet – Piano and vocals. Appropriately sedate & rich, for cocktails, dinner, background.

Trio – Vocals, upright bass, piano. Charming, soft, romantic presentation, suitable for light dancing, also excellent for cocktails, dinner, background and show.

Quartet – Vocals, upright bass, piano, drums. This is an excellent small show or dance band. Very entertaining, smooth, swinging, sophisticated and sexy. Excellent for show, after dinner dance, reception.

Quintet – Vocals, upright bass, piano, drums, saxophone/clarinet. This is a top notch, sophisticated, romantic after dinner dance band that can be as out front or in the background as the situation calls for. This band was the house band at the lovely Majestic Hotel in Anacortes for four years and is well known for being highly compelling, lively, a great dance or show band with a sizzling swing. This quintet is a first call band for many well known hotels and resorts for corporate and private functions and is asked back year after year to play the holiday and seasonal events.

RATES – Bellingham/Anacortes/Seattle/Tacoma/Portland

*Duet – \$350.00

Prices include cocktail hour, reception, after dinner and dance as long as total time does not exceed 4 hours, unless otherwise negotiated.

Ceremonial and Wedding Music

For weddings, should ceremonial music be required, please add \$150.00 per player to total cost of band. Seating, bridal march and exit music will be performed by pianist with, in some cases, bass and flute accompaniment.

The band will work with the bride and groom or coordinators to recommend and prepare the required music. If songs other than the standard classical wedding tunes are required, it's possible that arrangements may be necessary. If arrangements are necessary there may also be a separate fee for the arranger.

Rehearsal fees are \$150.00 per player. A good way to save money here is to have only the pianist attend the rehearsal. In most cases, this will suffice perfectly and if not, we'll be sure to advise.

The band is glad to provide the sound system for toasting and short speeches.
